Ministry Partnership Support

(Includes leadership training, program support, communication and operational expense, and development of new resources and ministries)

Conference Annual Project

(A project is selected each year that gives us an opportunity to partner with ministries in various communities)

North Park Scholarship

(Scholarships in the amount of \$500 are given to young women from Central Conference Churches)

Special Interest Missionaries

(Each missionary woman assigned to our conference receives a \$25 birthday gift and each active missionary woman receives \$300 for a project of her choosing such as providing medical or educational supplies, orphan care, or camp scholarships)

Worship Grants for New Churches

(New churches may apply for a \$250 grant to be used for hymnals, Bibles, or other worship materials)

Raise the Flag

(Rather than make this a project every third year we would like this to be part of our ongoing support to bring international guests to Triennials)
