Kevin Gray

Singer, Songwriter and Producer

Kevin is a man that has a passion for music and loves to explore the many aspects of it. With three urban gospel projects under his belt and countless of features, Kevin has solidified himself as one of the most influential voices in the urban inspirational movement. What seems to give Kevin a unique distinction is his love and adaptation for all styles of music, which include R&B, Gospel, Praise & Worship, Jazz, Pop and Rock. This fusion of genres has made his voice and style most memorable. Kevin has garnered the reputation in the music community as being one of the most consistent and anointed singers of his generation. From his fans to fellow artist, all agree that his unusual tone and rhythmic riffs makes him a breath of fresh air and an anticipated feature on any stage.

Mike Rancharan

Director of Worship, Hope Covenant Church, Crystal Lake, IL

Mike was born in Belmopan, Belize, and moved to the United States when he was 10 years old. Having grown up outside of the Church, he heard Christ's call to follow Him in his late teens. After a life-changing encounter at a youth conference, he picked up the guitar and began praising God with music. Years later, he felt a call to pursue ministry in the Church, so he worked and studied until, by God's grace, he earned a Bachelor in Worship Arts at Judson University. He is now the Director of Worship at Hope Covenant Church in Crystal Lake, IL, where he has the privilege to serve with Pastor Lisa Orris and an incredible staff. Mike will be one of our worship leaders during the evening services, which are open to all who wish to attend. All are welcome!
